

TUITION & FEE STRUCTURE

2025-2026 School Year

At Wild Whimsy Forest School, we operate a year-round program with closures aligned closely with Seattle Public Schools. Our monthly tuition remains consistent throughout the year to provide stability and facilitate planning for both families and our organization. The 2025-2026 school year includes 211 instructional days. Tuition covers all administrative and materials fees, as well as transportation and entrance fees for field trips.

We are committed to investing in our educators by offering competitive pay and benefits, recognizing that a supportive work environment is essential for delivering exceptional education. Your support helps ensure that our teachers can focus on providing a high-quality, enriching experience for your child while contributing to their professional satisfaction. Thank you for supporting our dedicated staff and investing in the future of education at Wild Whimsy.
